MONTHLY NEWSLETTER | AUGUST 2019

Jeremy Deal | Lead Pastor | jeremyd@newunionbaptist.org

Faith Family,

I hope this summer was filled with spiritual growth. I know that life is busy, but summer is always a great time to schedule breaks to allow yourself to rest in the Lord. Resting in the Lord and creating space in your life to bow at God's feet is essential to living a life for the glory of God. The Father is who provides strength to live a godly life in this depraved world. If you are coming out of summer feeling weak and in need of rest, I encourage you to create space in your schedule and to spend time with the Lord (just you, the Lord, and the Word). Find some undistracted, unhurried, and unhindered time to read, pray, and rest at your Father's feet.

This summer at New Union was filled with mission trips, camps, sanctuary remodel, etc. It has been an encouraging summer as many have followed Christ! On July 21st, we were blessed to be back worshipping God in our newly remodeled sanctuary! I want to say a big thank you to everyone who served at camp, with missions, and with the church remodel! If you would like to hear more about children and youth camp as well as all the different mission trips, please attend the Summer Share Service on Sunday, August 11th at 6:00pm.

Here are a few important dates/reminders I would like to highlight in August:

August 4th: Praise and Prayer Service/Business Meeting

August 11th: Summer Share Service

August 16th/17th: Art of Marriage Conference

August 18th: Church-wide Fellowship (Fort Bluff @ 3 PM)

I love you, may we have a great fall for the glory of God!

Pastor Jeremy

Children's Ministry
Joey Liew | Associate Pastor of Children & Families
joeyliew@newunionbaptist.org

Church Family,
Grateful. After one year in ministry here at New Union this is the word that best sums up how I feel. I am grateful to serve a group of people who continually give up their time and use their gifts to love the children and families that walk through the doors of our church. Trunk or Treat, VBS, Kidventure, Sunday School, Nursery, our programs in children's ministry require a lot of man power and y'all keep showing up and I am grateful. Thank you for giving your time and gifts to teach others about the truth of the gospel. Hailey and I are very blessed to be part of such a loving church family.

August is here, and we are about to head back into Kidventure. Please join me in praying for our team of volunteers and the children that will come this year. We will continue a new part of the Gospel Project and continue learning the New City Catechism during this time, as well as our other activities for Kidventure.

We implemented a check-in system during Kidventure for 2018-2019. I learned a lot through the process and am looking forward to making this a safer and more consistent process for our kids and parents. We will be rolling this out during Sunday mornings and evenings SOON for ages 0-5th grade. Once implemented completely, the biggest thing I need from you all is to make sure you have the checkout tag with you when you pick your children up. Our volunteers will be trained and informed to only release kids with matching checkout tags. For now, please make sure you, the parents/guardians, are the ones who pick up your child from our programs.

I'm excited to see what God is going to do this year for His glory. Our children's ministry is in need of volunteers in all areas. Please contact me if you are looking for a place to serve this coming school year, we would love to have you join us in ministry. Love you all. Please let me know if there's anything I can do for you.

Pastor Joey

The Adult Choir took an extended break over the summer due to the Sanctuary renovations that were taking place. However, if there has ever been a point that you have considered joining the Adult Choir, now is a perfect time to follow through with that desire as the choir resumes rehearsals and begins learning songs for this year's Christmas musical. Practice will be on Sunday nights in August and then on Wednesday nights as well beginning in September. Feel free to come to a practice and join in at any time!

Youth Ministry

Keath Butt | Associate Pastor of Youth & Families | keathbutt@newunionbaptist.org

Hello, Church Family!

It has been an incredibly busy summer for the youth ministry. We have had one event after another, and each has provided different opportunities for our students to grow in their faith. I always arrive on the back side of summer pretty exhausted as a youth pastor (especially now at age 46!), but I always come away knowing that the time my leaders and I have spent has been well worth it!

I am always encouraged by our students' involvement in NUBC's VBS week. Many of our students, some of which were saved through VBS, showed up and gave of their time and energy to give back through serving our church's children. Their faithful service there makes this old youth pastor proud!

The following weekend we celebrated our graduated seniors one last time by taking them and their parents for a weekend focused on the next four years of their lives. We had two evening sessions discussing their college years with a trip down the scenic and wild Chattooga River sandwiched between. It was a great weekend, and I trust that our seniors came away with strengthened relationships with their parents, as well as some practical ways to make their college years productive for the sake of Christ.

This year we took 88 students and leaders to Jonathan Creek. Once again, it was a spiritually refreshing week for both students and leaders alike. The focus of camp was discipleship and the Great Commission, and many of our students came away with a heightened awareness of their call to make disciples, not just here in Dayton, but to the ends of the earth. Many considered ministry and missions as a vocation for the first time, and I will venture to say that we will see fruit from this week for years to come. We have already reserved out spots at Jonathan Creek for next year, so please put June 19-24, 2020 on your calendars and plan now for your students to attend!

And just two days ago we returned from a week in Boston serving the children and families there on behalf of First Church in Charlestown through Kid's Camp 2019! The last two years were spent renovating their entire church, but this year's outreach focus, trying to reach the community, really made this trip more emotionally exhausting than before. It was difficult to look into the eyes of some of the 15-20 children that attended and see the hurt that comes from family dysfunction and hard living. But it didn't take long for smiles to break through as they listened to the life-changing message of the Gospel. Please be in prayer for Erik and First Church as they continue to try to make an impact for Christ in Charlestown.

So, as you can see, it has been a very busy summer indeed! But our students' eyes have been opened to many things that they had not given thought to previously. It is my observation that they are more ministry-minded coming out of summer than they had been previously, and I am excited to see the fruit that will be born through the last two busy months.

By this publication, we will have already had our Back-to-School Bash. Details about 48 will also have gone out by now, and I hope that your students can be a part of that weekend as well October 11-13. And please pray for this coming school year, that God would move in the midst of our students and bear much fruit!

#4RHEACOUNTY

Our Backyard Bible Club at the Dayton Housing Authority on July 8-10 was a great time of sharing the love of Jesus and ministering to the children who live in the Taylor Hills community. Thank you to all of our volunteers who served!

The next upcoming event we promote is The Care Center Walk For Life. This will be at the Dayton office on Main Street and the nearby walking track on Saturday, September 14th at 9:00am. Please consider being a part of this fundraiser for the center, either as a sponsored walker or by financially supporting someone who is. This is a great opportunity each year to show your support for the work and ministry of The Care Center, as well as the sanctity of life!

KinderSprouts Academy

KinderSprouts Academy is a non-profit preschool serving children and families in need. As a partner with New Union, our goal is to prepare children for school with an emphasis on sharing the gospel. Breakfast and lunch are served to ensure their physical needs are met before focusing on the intellectual and spiritual needs of the child. You can help make a difference in three different ways:

- Pray for those involved and for the gospel to be revealed
- Give monetary donations and/or food donations
- Volunteer one day per month or as often as you would like

Please make donations to: KinderSprouts Academy. If you have any questions, please contact Rachel Purser at 423-718-3914.

Women on Mission would like to thank everyone who contributed to the Free Yard Sale by donating items, helping with set-up, sorting donations, and volunteering to serve during the sale. This was the biggest year to date in both donations received and people attending, and our church was able to minister to many from our community thanks to your generosity.

Visit the church website or contact the church office for more information on all upcoming events and opportunities.
